Julie:

Furnace problem at home. It's been going on for about a week. No heat, no hot water. LOTS OF ANXIETY.

I won't be able to get to Pallman's to pick up the turkey tomorrow. Cook the one you have for Thursday, and I'll pick up the Pallman bird when I can and give it to you for the freezer.

Hopefully, by Thursday, things will return to normal at home, and I am hoping to be able to get to your house for Thursday.

I'll keep you posted.

Robert
